AHG CHURCH PROJECT

Hannah Henley is excited that the work on her Stars & Stripes National-level award for American Heritage Girls is in the works. For her project, she is continuing to oversee the funding and building of a picnic pavilion and picnic tables in the grassy space to the right of the parking lot in the front of our church. Be on the lookout for continuing information concerning fundraisers and other ways that you can help Hannah achieve her goal that will serve our church family as well as our community. For more information, please see Hannah Henley, Jim Huntley, or Pastor Kevin.
