WHEN GOD'S SPIRIT MOVES

Beginning Sunday night **February 16th at 5:00 pm**, we will explore the person and work of the Holy Spirit to bring a fresh sense of God's power to our church and our lives. What happens when the Holy Spirit moves powerfully within a church? Through this six-session study we will learn how:

- To make room for the Spirit's action in your life and in our church.
- God wants to work through your gifts and talents to enable you to do what only He can do.
- To listen for the voice of the Spirit in prayer and how to apply God's Word to your life.
- The Spirit can bring healing to your body, your emotions, and your relationships.
- How a life lived in the presence of the Spirit can transform the church and the world
- Our church can become a place where people regularly experience God's presence and his power.

For more information, please see Pastor Kevin. The cost for the participant guide is \$8.
